

PARENT COUNCIL

We continue to have a good representation across the breadth of the school with only P7 not having a Class representative.

Louise Barnett stepped down as Secretary, Alice Crowley is happy to take on duties and Parent Council agreed to use PKC funds to pay Clerk Fee, which will then be donated to school.

Jen Campbell stepped down as Social Media secretary, Facebook group is maintained between parent council members.

Kevin Maxwell stepped down as class representative, there were 2 within the class so other class representative able to pick up.

COMMUNICATION

ParentPay continue to be sent out on behalf of Parent Council by school to allow us to capture all families.

Class contact groups continue to be successful and allow informal connections between families.

FB group still present and continues to have a little interaction but parent/carer survey indicated people enjoyed the information shared and wanted to keep it.

MEETINGS

Met termly last year and it worked well, introduced hybrid meetings and recording to allow accuracy of Minutes.

EVENTS

Quiz and Christmas Fayre very successful at bringing people together informally and also raising funds. Christmas Fayre and Fun Day with Parish another success with encouraging numbers at Mass as take place directly after, so bringing the whole school/parish community together.

Beetle Drive and Ceilidh didn't make profit but were both ran on school nights, if considered going forward would run on a weekend. Look at pricing of Ceilidh so it is still affordable for families but covers cost of band if possible.

EXTERNAL CONTACT

Successfully collaborated with school and the community council to get safety rail and temporary speed bumps in place. Will continue to engage with them on outcome of data capture and plan going forward.

Have made initial contact with council regarding school toilets and will continue to communicate with them for updates.
